

Tri-County R/C Flyers
June 3, 2010
Meeting Minutes

New members: Marcelo Candeo was approved as a new member. Please take the time to introduce yourself to Marcelo at the flying field.

Old Business:

- **Minutes-** The minutes of the May 6th meeting were read and approved.
- **Financial Statements-** Neal McGrath reported that as of the end of May the treasury had a balance of approximately \$2,400.
- **Flying Field Status-** As reported in an email from Bill Kirkpatrick, First Quality Enterprises appears to be willing to work with Tri-County R/C Flyers to find a location on their property that will allow us to continue to fly. While it may cause some short-term inconvenience for the Club, it looks likely that we will be able to work out a long-term solution to our flying field concerns. Stay tuned.

New Business: There was no new business.

Safety: Safety Officer, Ken Whitfield, reported that the safety benches have been turned around to face the runway. To avoid the issue reported last month regarding the instances of 2.4 GHz radios (receivers) going into fail safe mode it is suggested that you use a 6 volt receiver battery.

Announcements:

- **Next Meeting-** The next meeting will be held at 6:00pm on Thursday July 1st at the Anderson County Airport.
